2025 pilgrimage to Lourdes.

Further enquiries ring 01302 247910

Fare £899.00 excludes insurance per person sharing. This includes
breakfast, lunch and dinner, plus 10 Euros per person as requested by the
Sanctuary.

All are welcome to join the Pilgrimage – pilgrims who need help due to
medical issues, mobility, volunteer helpers, doctors, nurses, clergy and
general pilgrims.

On Sunday 9th December 2024, Jack Traynor was declared the 71st
miracle of Lourdes. **This is the first British miracle of Lourdes.** The cure
took place during 1923, during the first Liverpool Archdiocesan Pilgrimage
but it was not until a further review of the archives of the Medical Bureau in
Lourdes in their Centenary Pilgrimage year that the key evidence from the
doctors in 1926 recording Jack Traynor's sustained recovery was traced.

The detailed research on the Medical Bureau's archives in 2023 was
undertaken by a former Medical Director of the Diocese of Salford
pilgrimage, so there is very much a connection within our Province.

*Fr Grant Maddock in a recent interview on French Television said:-
"Jack's miracle cure is tremendously significant for us, and I would say
in many respects it arriving as a proclamation now is crucial in this time
in our own history. Like the rest of Europe, our faith is challenged, and
yet we receive this news in the context of a world which is very much
dependent on fact and scientific evidence to base all decisions. We
arrive at a moment where, once all those medical reasons and facts
have been put into place, no other reason can be given for this man to
have experienced this miraculous cure. So for the British people it
means that we must question again that gift of the presence of the
power of God in our lives. And for the Catholic community, it is an
opportunity to be renewed, and to be able to tell the wonderful story of
what God does in our lives, through the specific case of Jack Traynor."*
